

worksolutions

find a happy way to work.

at **worksolutions**, we help employees
and employers discover safe, easy
and planet-friendly ways to coordinate
daily trips to and from work.

daily travel choices matter

we're here to make rethinking travel habits an enjoyable experience for everyone.

when you walk, bike, bus, pool or telecommute to work even once a week you are making a difference for you and the planet. at worksolutions, we provide all the information you need to find a happy way to work.

choose worksolutions today and discover new ways to:

- cut travel costs and save money
- reduce air pollution and traffic congestion
- stay active

the choice is yours! try one of these fun ways to work.

walk.

lace up your shoes

walking is a great way to stay fit and enjoy the community.

bike.

prepare to pedal

biking is a fun and fast way to travel to work.

bus.

hop on the bus

we provide transit pass benefits at a reduced cost for participating employers.

pool.

share the ride

we can help you find a carpool or vanpool match.

click.

wear your slippers

we offer information about how you can work at home.

we're your travel2work headquarters!

at worksolutions we offer education and information for your workplace transportation needs.

bus2work.

transit pass program

an inexpensive employee transportation benefit providing resources to help coordinate daily trips to and from work.

there are a couple of great options available to help employees ride the bus to work:

1. LTD transit pass program

paid for by employers, this benefit makes it easy for employees to use the bus for daily work trips.

2. commuter club voucher program

this program allows an employer and an employee to share the cost of an LTD transit pass for daily work trips.

pool2work.

carpool or vanpool

reduce the expense of commuting. save time and money. share the ride to work. we can help you find a carpool match or start a vanpool to get to work. you can sign up by completing a form available on our website or by calling us today. it's free!

walk or bike2work.

when you use your feet to get to work we can help by providing maps, safety tips and even a vote of confidence! ask us for more information.

click2work.

telecommute

fact: telecommuting is one of the fastest growing work trends in America today!

find out how modern technologies can help employees be productive at home and ensure that with email, conference calls and other techniques the transition will be seamless.

taxi2go.

emergency ride home

no matter which transportation alternative you use to get to work, we make sure you get home quickly in the event of an emergency.

free and available to any workplace this program provides peace of mind. talk to us today to find out how to sign up!
